

Features of Our Church's Antioch School Program!

Get involved in the Antioch School program at our church to deepen your understanding of the Scriptures, develop your life and ministry, and earn a degree!

Truly Church-Based

You don't need to move to go to school! Participate in a rigorous and structured approach to biblical study, character assessment, and skill development right in the context of our church.

Cost Effective

On average, training with the Antioch School costs up to 80% less when compared with the cost of campus-based programs.

Biblically Patterned

Patterned after Paul's training of Timothy (2 Tim. 2:2), develop your character while serving in ministry, equipping you with the knowledge and skill required to effectively lead Christ's church.

Comprehensive Assessment

A leadership training program that effectively brings your knowledge, skill, and character development together while training you for service in ministry.

Degree Programs

An academic degree program built into the real-life mentoring and ministry opportunities that God has uniquely given you right here. Degrees offered range from certificate to doctoral level.

Talk to our church leaders today for more information on how to enroll!

How Church Leaders Can Learn More

There are 5 different ways for church leaders to get started with the Antioch School. Interested leaders can enter the process at any point.

View the Antioch School Introductory Video

A 10-minute introduction to the biblical and philosophical foundations of the Antioch School.

Request an Introductory DVD (Free)

Receive a free DVD of the introductory video found on our homepage.

Attend an e-Luncheon (Free)

An online, 40-minute multimedia conversation that explores the distinctives of the Antioch School.

Attend a Webinar (Free)

An online, 4-hour seminar that explains the biblical and practical principles that undergird the Antioch School.

Attend Initial Training

Four days of training in the use of the BILD philosophy and resources, paradigmatic perspective on theological education, and preparation for coaching students in building portfolios.
